

2022 International Crypto Expo

The world's largest International Crypto Expo

Welcome your participation!

cryptocurrency # payment #Bitcoin #Blockchain

The 2015-2021 International Crypto Expo was held in Shanghai, Beijing, Shenzhen, Hong Kong, Sydney, Kuala Lumpur, Bangkok and other places, and was widely welcomed. In 2022, it will be held in the Middle East, Africa and Southeast Asia. We hope to bring the world's best crypto institutions and enterprise products to you. 2022 International Crypto Expo will display the latest crypto products and services to promote the better and faster development of crypto industry. Crypto industry covers cryptocurrency, blockchain, payment, NFT, Web3.0 and other enterprises. 2022 International Crypto Expo will promote the ecology of crypto industry, promote the future development of the industry, and realize win-win cooperation among crypto enterprises. This expo is also the world's largest crypto expo. We hope to bring you an extraordinary experience in the crypto industry!

2022 International Crypto Expo is committed to building a knowledge sharing and resource docking platform in the crypto industry chain, collecting information and resources, and effectively connecting all links, personnel, technology, products and capital in the crypto industry chain. Our goal is to establish a professional high-end brand image for crypto enterprises and expand their brand influence in the world. At the same time, it provides a platform for investors and technology suppliers to share professional knowledge and resources. In addition to cryptocurrency exchanges, blockchain companies, some asset acquisition and asset management companies will also participate in our global expo.

Exhibitors: cryptocurrency enterprises, digital financial enterprises, digital currency exchanges, payment companies, cross-border settlement companies, financial technology companies, NFT companies, financial support services companies, financial securities companies, software companies, software providers, etc

Audiences: crypto investor, financial companies, financial technology companies, agency companies, financial companies, employees in the foreign exchange industry, bank executives, securities executives, high net worth investors, etc

2022 International Crypto Expo will be held for the first time in Abu Dhabi, UAE from September 20 to 21!

Characteristics of this Expo

1. The world's largest and far-reaching innovation finance Expo.

More than 80 crypto enterprises participated in the Expo, involving companies such as cryptocurrency, exchanges, asset management, electronic payment, blockchain, NFT and financial technology solutions.

2. Join hands with world-renowned entrepreneurs to explore the frontier development of innovative finance.

More than 40 well-known crypto entrepreneurs and heads of institutions were invited to give speeches to systematically explain the latest development process and future direction of crypto industry.

3. High end social networking resources.

The visitors to this exhibition mainly include crypto investors, managers of cryptocurrency enterprises, heads of blockchain enterprises, introduction brokers, outstanding leaders in the Internet financial industry, well-known experts and

scholars, industry elites, media representatives, legal teams, high net worth investors, to ensure the efficiency of resource docking and communication.

4. Global brand communication and influence.

The exhibition mainly cooperates with 40 well-known crypto media to deeply report and widely spread the International Crypto Expo. Up to 5 million exposures can maximize the influence of the Expo in the field of crypto, and help exhibitors improve their brand awareness and competitiveness.

If you are interested in 2022-2023 International Crypto Expo and want to be exhibitors, speakers, visitors, media cooperation and strategic cooperation, please contact me as soon as possible and look forward to cooperating with you!
